Cancer Screening Education Series Starts Sept. 11 and Will Continue to 2020

UnitedHealthcare and the American Cancer Society are offering a series on UHC On Air to help you encourage patients to complete needed cancer screening services. Topics in the series include:

- Colorectal cancer screening – Sept. 11, 2019
- Breast cancer screening – October 2019*
- Cervical cancer screening – January 2020*

*Dates and times will be announced in the News section of the UHCprovider.com home page.

Join Us for a Webinar

The first in the series, Working Together to Improve Colorectal Cancer Screening (COL) Rates will be on air Sept. 11, from 12-1 Central Time. Use the link above to set up a calendar reminder and also to join the program on Sept. 11. Attend the broadcast or watch a recording for one Continuing Medical Education (CME) credit at no cost to you.

Each broadcast will include:

- Healthcare Effectiveness Data Information Set (HEDIS®) overview
- HEDIS® measures and technical specifications
- Tips and best practices to support cancer screening
- Disease overviews
- National cancer statistics
- Types of cancer screening tests and services

Recordings

If you’re unable to attend the webinars, recordings will be posted right afterwards. Here’s how to access them:

1. Sign in to Link at UHCprovider.com and click the Link button in the top right corner.
2. Open the UHC On Air tile on your Link dashboard.
3. Choose the UHC News Now Channel and then the UHC Quality Improvement Series.
