Important Update about UnitedHealthcare’s Relationship with Houston Methodist

For the last several months, we’ve been in active negotiations with Houston Methodist to renew our relationship so that our employer-sponsored, individual and Medicare Advantage members have continued access to Methodist’s hospitals and physicians. Unfortunately we have been unable to reach an agreement, which means the following Methodist hospitals are out of network, effective Jan. 1, 2020:

- Houston Methodist Hospital
- Houston Methodist the Woodlands Hospital
- Houston Methodist Willowbrook Hospital
- Houston Methodist West Hospital
- Houston Methodist Sugar Land Hospital
- Houston Methodist Clear Lake Hospital
- Houston Methodist Baytown Hospital

Effective Jan. 1, 2020, UnitedHealthcare Medicare Advantage and commercial members may incur significant increases in their out-of-pocket costs if they receive care at these out-of-network facilities. We encourage you to choose another network hospital for your UnitedHealthcare Medicare Advantage and commercial members’ care. You can access a complete list of participating hospitals and facilities at [UHCprovider.com/findprovider](http://UHCprovider.com/findprovider).
