

## Corporate Tax Department

### *eStatement (e1099) Sign-up – April 2026*

---

Thank you for your interest in receiving your 1099 tax forms electronically from UnitedHealthcare and its affiliated entities.

To sign up to access your 1099 online, you will need the tax ID number (TIN) under which you do business with UnitedHealthcare.

#### **Getting started**

1. Go to the [1099 Forms Online page](#)
2. Sign in using your **One Healthcare ID**, the same ID used for other UnitedHealthcare transactions
  - If you don't have a One Healthcare ID, click create an account
3. After signing in, you will be directed to the 1099 Forms Online page

#### **Verification steps**

- Once securely signed in, you will be prompted to enter a **verification code** sent to the email address associated with your One Healthcare ID (be sure to save this code)
- After verifying your code, you will be asked to enter your **TIN**
- Once your TIN is validated, the site will walk you through the remaining steps to complete your electronic delivery setup
- Additional instructions can be found under the **Help** tab on the 1099 Forms Online page
