

March Outlook

UnitedHealthcare® | March® Vision Care
updates and vision industry information

August is Children's Eye Health and Safety Month

It's time to reinforce the importance of early and ongoing vision care. Encourage families to prioritize annual eye exams, especially before the school year begins.

An inside look

Unlisted miscellaneous codes - Resubmission requirements

Unlisted miscellaneous codes with a rate in the Medicaid fee schedule will now deny "REJCRMISC," requiring you to resubmit the claim with a justification and documentation for the unlisted miscellaneous service code. Claims will be paid or denied based on the service review.

New CE course: Advances in Myopia Management

This new COPE-accredited course covers current and emerging approaches to myopia management, including epidemiology, risk factors and myopia progression mechanisms.

State news

Various states: Molina Healthcare benefit plan terminations

UnitedHealthcare Community Vision Network/March Vision Network will no longer manage vision benefits for Molina Healthcare plans in Mississippi, Nebraska, New Mexico and Ohio. Providers may continue treating members and receive reimbursement for eligible services through the applicable termination date. These changes apply only to the specified Molina Healthcare benefit plans, and other UnitedHealthcare vision benefit plans in those states remain unchanged.
