March Outlook

UnitedHealthcare® | March® Vision Care
updates and vision industry information

Explore our new free COPE Accredited Dry Eye CE course

Dry eye affects nearly 16 million Americans and can be a common and chronic problem for adults. Explore this CE course and gain insight into the eye anatomy that contributes to dry eye, complications from dry eye and new treatments to provide relief.

An inside look

Avoid claim payment delays

Using a P.O. Box address on your claim form will cause delays in claim processing and payment, especially when submitting a paper claim form. You are encouraged to use a physical address on all claims forms and submit claims electronically at providers.eyesynergy.com. This method will help reduce claim errors, resulting in faster processing times.

August is Children's Eye Health and Safety Awareness Month

Find out more about preventing and identifying eye injuries and early detection of vision problems in children.
