Calculating 2026 MCAIP payments

The Medical Condition Assessment Incentive Program (MCAIP) aligns with the Medicare Advantage Primary Care Physician Incentive (MA-PCPi) program. MCAIP offers 3 bonus opportunities when you return Assessment forms for your patients.

This guide can help assist you in calculating your quarterly and annual MCAIP payments.

MCAIP incentive payment summary

You can find information about your quarterly/annual incentive performance and payment on the MCAIP Summary and Assessment Form Detail worksheets, which are available in your **Patient Care Opportunity Report (PCOR)**. For more information, please see our Patient Care Opportunity Report PCOR.

Payment information and schedule

Your payment information will be available in your PCOR quarterly as follows:

Q1:	July 2026
Q2:	October 2026
Q3:	January Runout 2027
Q4:	April Runout 2027

The payments are based on your attributed membership at the time of payment.

MCAIP Assessment Bonus

To calculate each MCAIP Assessment earning opportunity, please reference the Assessment form detail and MCAIP summary worksheets within your PCOR for member-level assessment information. Use the table below, along with your Terms and Conditions, to break down the details of your payment.

Calculating the MCAIP payment

MCAIP Assessment Bonus

1. Filter the incentive program column to the applicable incentive program
2. Filter form status column to each of the Assessment status and sum to total of each status and multiply by the bonus dollars indicated below:

Assessment status	Bonus amount
Timely	$25
Adjusted	$15
Late	$15

3. The total overall payment for this bonus equals the sum of all eligible Medical Condition Assessment status

Fully Assessed Bonus

1. Filter the incentive program column to the applicable incentive program
2. Filter the fully assessed column to “Y”
3. Sum total of “Y” and multiple by the bonus amount of $150
4. This produces overall payment amount for the Fully Assessed Bonus

Superior Bonus

1. Review MA-PCPi summary tab for final number of Performance Points. To earn the Superior Bonus you must have at least 55+ Performance Points
2. If you have earned 55+ performance points, review the number of returned Assessments and the return rate of Medical Condition Assessment forms listed on the MA-IPi Summary worksheet
3. Multiply the total number of returned Assessment forms by the return rate bonus listed below:

Return rate	Bonus per completed Assessments
90% +	$200
80%–89%	$150
70%–79%	$100
