Be sure to review and validate your provider information on providers.eyesynergy.com

Federal and/or state regulations require that all active providers ensure the accuracy of provider directory information on a quarterly basis.

Provider locations must:

- Sign in to providers.eyesynergy.com every 90 days, at a minimum
- Review and validate or update your provider information to ensure accurate directory records

Coming into focus

Influencing the best outcomes for diabetic patients

You can become certified in our Clinical Care and Coordination Program to help screen and monitor patients with diabetes, including the potential for diabetic retinopathy. Learn how to become certified today.
